

KETCHELL IS 23 DAY OF FIGHT

(By Doc Billy Morris)

Eddie Ketchell will celebrate his 23rd birthday on July 4th and master Edward says that he always manages to put on a victory on the date of his birth.

The fans are all agreed that the clash on the afternoon of the Fourth will be a humdinger but never has there been so much argument over the prospective winner. In training the eastern chap has shown him self to be a tough and ready fighter who likes to get in close and exchange punches. Though a little inclined to make some attempt to block right chops to the chin with his defensive gloves when the going gets a bit rough.

Bramble's admirers who are legion in Tonopah, say that there will be nothing to it but Harry as he is in shape for the first time in a year and will simply smother the New Yorker with speed just until he has him tired and weary when he will out the champion with a single right jab to the chin.

HOME WEDDING THIS EVENING

A quiet home wedding will be celebrated this evening at the home of Mr. and Mrs. T. J. Bell, in the Elks' parlour, when Miss Hazel O'Neill, daughter of Mrs. Frank Bell, will be married to Mr. M. Lewis, a chemist at the Tonopah Belmont Development Company. The ceremony will be witnessed by the immediate families of the bride and groom and the couple will be attended by Mr. and Mrs. Frank T. Dunn, Thomas Edward Noonan will officiate. After the ceremony a nuptial dinner will be served. The couple will make their home at the Mizpah hotel and each time as their new home will be furnished for occupancy. The honeymoon trip will be deferred until the Christmas season owing to the fact that it is impossible for Mr. Lewis to gain leave of absence from his responsible duties at the Belmont until that time.

Miss O'Neill is a daughter of Captain and Mrs. Edith O'Neill of Denver and is recognized as one of the most accomplished of the younger set with whom she has been extremely popular. As a violin virtuoso the bride has always graciously lent her presence in addition to assisting the choir of St. Patrick's church on occasions of extra solemnity. Miss O'Neill has been a resident of Tonopah for the past two years when coming from Denver and shortly after qualified for a position in the post office.

Captain O'Neill for many years occupied the position of chief of police of Denver and now fills an honored place in the retired list after amassing a fortune in real estate investments.

The parents of the bride expected to be able to attend the nuptials but were detained at home by the illness of the paternal grandfather who resides in the Denver family home.

Charles E. Wittenberg, chairman of races, received a letter from G. E. McKenna of Goldfield, informing him that he had two entries for the horse races to be run as part of the Victory Day celebration.

Visitors are arriving and it is reported that fourteen machine loads reached town from San Francisco yesterday with folks anxious to witness the miners drilling and muck contests.

Senator T. J. Bell, who will make the patriotic address from the speakers stand surrounding the civic flagpole, will be introduced to the audience by District Judge Mark R. Averill, the popular jurist.

Lowell Daniels, who is in charge of the monster street pageant has several surprises in store for the public. Floats indicative of the late struggle, decorated autos, organizations and lodges, horros decked in garlands, dolls and carriages, etc., will all be in line and the judges will have their work cut out for them awarding the different prizes being up by the committee.

Six entries have been received for the mucking contest to date. The entries will close at 7 o'clock tomorrow night and positions will be drawn for thirty minutes later in the justice of the peace court. The following are the names of those entered in the mucking contests: Nestor Chavez, Pete Tikane, Modesto Porcello, Naemio Setien and Harry Holmquist.

The arrangement committee will provide programs so that everyone will be enabled to follow the events of the celebration. The time and place of every event as well as the different chairmen and judges are printed and the prizes for the contests are also enumerated.

A truck load of evergreens from the Manhattan hills arrived last evening to be used in framing the refreshment room for the kiddies in front of St. Pierre's store which has been donated for the occasion.

MR. BUTTINSKI GETS A PASTING

The court of Justice Grier was congested this afternoon by a representative audience of men and women all eager to hear what was expected to be the salacious details of a night in Tonopah. The case was that of Webb Patton versus C. L. S. Main in which defendant was charged with aggravated assault and battery in having pummeled the plaintiff until his best friends could not recognize him. This feature was developed when the case was called this morning and a postponement was asked. This was objected to by the district attorney who declared that any delay would lose their side the advantage of the complaining witnesses whose face would be partially healed before the time requested for the hearing. Spectators in court smiled when they glanced over the courtroom and saw what a complete job was made of the beating.

According to the story of the defendant a plea of extenuation will be entered as he said, Patton forced his way into a room where a number of ladies and gentlemen were indulging in a convivial time and insisted on forcing his presence on the company there assembled much to their disgust. Finally Patton was ejected after he refused to leave and in course of the melee received various bruises and contusions which will endure for some time. Several ladies tried to escape the notoriety of appearing by pleading illness but the court was obdurate.
